

SNS Bank takes note of outcome EU-wide transparency exercise

SNS Bank N.V. (SNS Bank) notes the announcements made today by the European Banking Authority (EBA) and De Nederlandsche Bank (DNB) regarding the information of the 2016 EU-wide Transparency Exercise and fulfilment of the EBA Board of Supervisors' decision.

The outcome of the 2016 EU-wide transparency exercise can be found on www.snsbanknv.nl/en.

Background 2016 EU-wide Transparency Exercise

The Board of Supervisors of the EBA decided in its meeting of 20 of April 2016 to carry out a Transparency Exercise in 2016, which will be done onwards regularly with annual frequency. It will be published at the same time as the Risk Assessment Report (RAR). The annual transparency exercise will be based solely on COREP/FINREP data on the form and scope to assure a sufficient and appropriate level of information to market participants.

The templates were centrally filled in by the EBA and sent afterwards for verification by banks and supervisors. Banks had the chance to correct any errors detected and to resubmit correct data through the regular supervisory reporting channels.
